

Dear Parishioners,

On Monday, May 30, we begin reading paragraphs 25-36 of the Compendium Catechism of the Catholic Church. God reveals Himself -- but we need to respond -- that's what faith is all about. We profess the faith by formulas that remind us of the basics. To be fully alive in Christ means learning the whole faith, believing, and professing in both word and action. I hope that this review of the Faith will help you integrate the Faith into every aspect of your life.
